DONATION / SPONSORSHIP FORM

At any given time, there are at least 150 horses residing at the Rescue. Many of these horses come with specialized care requirements. It is vital that the horses receive a reliable supply of quality hay and supplements and regular vet care. This is the most expensive aspect of caring for these special horses.

Although it can seem overwhelming, all you have to do is look one of these horses in the eye for just a moment and it becomes clear what a worthy cause this is!

Each year we need to raise enough to cover the costs of caring for the horses. Whether it is a one-time donation or a monthly contribution or sponsorship, every little bit counts! Tax receipts can be issued for all monetary donations and gift cards, and for non-cash donations of items.
